

INTERNATIONAL CONFERENCE ON “ONE HEALTH INITIATIVE: HARMONIZING HUMAN, ANIMAL AND ENVIRONMENTAL HEALTH (OHI-2023)” NOV 01-03, 2023

About OHI-2023

With the time, there is growing understanding that there is One Society, One Life, One Planet and One Health. One Health approach advocates larger cross-sectoral collaboration and participation at the human-animal-plant-environment interface. One Health is a collaborative, trans-disciplinary and, multisectoral approach that is applied at the local, regional, national, and global scales with the goal of achieving optimal health outcomes by recognizing the interconnection among people, animals, plants, and their shared environment/ ecosystem. This synergistic concept has tremendous potential to combat global challenges of present times like AMR, pandemic preparedness, food safety, bio-security, climate change etc. With the learning from ongoing COVID-19 pandemic, One Health concept could be the key player to prevent future pandemics and ascertain implementations of steps needed. OHI-2023 is planned to bring together academia, researchers, scholars, industry, policy makers, and other stakeholders at the same platform to discuss the recent updates on the topic. GLA University and SIIP extends a very warm welcome to attend and participate in OHI-2023 and enjoy the science as well as hospitality and tourism of Mathura, Vrindavan and Agra.

Patron in Chief

Sh. N. D. Agrawal, Hon'ble Chancellor

Patrons

Sh. Neeraj Agrawal, CEO

Sh. Vivek Agrawal, CFO

Chief Advisors

Prof. Phalguni Gupta, Vice-Chancellor

Prof. A. K. Gupta, Pro Vice-Chancellor

National Organizing Chairs

Prof. G.S. Tomar, President, SIIP

Dr R. S. Chauhan, General Secretary, SIIP

Dr Y. P. S. Malik, Secretary, SIIP

Dr Amit Kumar, Joint Secretary, SIIP

Organizing Chairs

Prof. Kamal Sharma

Prof. S.V.Singh

Co-Organizing Chair

Prof. Anjana Goel

Organizing Secretary

Dr Jagdip Singh Sohal

CO-organising Secretary

Dr Swaroop panday

Joint Secretaries

Dr Alok Bharadwaj

Dr Saurabh Gupta

Dr Sukhendra Singh

Dr Vishal Khandelwal

Chief Student Co-ordinator

Ms Komal Singh

Student Co-ordinator

Ms Kanika saxena

Ms Devanshi Chandaniya

Mr Arjun Dubey

Mr Arun Gupta

Technical Manager

Mr Aman Kumar

TECHNICAL SESSIONS

- Zoonotic Infections, Infectious diseases & Pandemic Preparedness
- Trends in Diagnostics, Immunotherapeutics and Vaccines: 21st Century Approaches
- Biotechnological Innovations Strengthening One Health
- Artificial Intelligence and Big Data Risk Assessment
- One Health for Food Safety, Food Security, and Sustainable Food Production
- Antimicrobial Resistance and Alternative Medicines: One Health Perspectives
- Microbiomes and One Health
- Climate Change: Implications for Human, Animal and Environmental Health

AWARDS

- Emeritus Scientist Award
- Oral Presentation Award (each session)
- Poster Presentation Award (each session)
- Young Scientist Award (age up to 35 years)*
- Mid-Career Award (age 36 to 45 years)*
- Life Time Achievement Award

REGISTRATION FEE AND SUBMISSION

ABOUT MATHURA

It is our great pleasure to extend you all a very warm welcome to attend OHI- 2023 (Nov. 01-03, 2023) in the holy city of Mathura and Vrindavan. Mathura is the birthplace of Lord Krishna, where pilgrims from all over the world come every year. The twin cities of Mathura and Vrindavan along with a number of other towns house a large number of temples associated with life and times of the Lord Krishna. Large numbers of folk stories are around this entire region called, Braj. Because of housing a large number of cows in Braj, the soil is considered holy and sweets made from the milk of cows in this region have special taste and are sent globally as 'Prasad'. The entire Braj is being developed for the purpose of religious tourism. Therefore, the twin cities offer you a range of high standard facilities and activities over a small area, enough to make it easy to take the best out of it while you are in attendance for the OHI-2023 or the days around it. Weather at this time of year is the beginning of winter and is pleasant.

Publication of Proceedings

Abstract will be published as Book Proceedings with ISBN Number.

Full Length Papers

Meritorious abstracts will be selected for submission in the SCI/ Scopus listed journals as full papers. Authors will be required to pay the article publication charges as per the guidelines of the journal.
